§ 3.

Duration

The Promotional Campaign is launched on 20 September 2021 and continues until revoked by the Organiser.

§ 4.

Application for the participation in the Promotional Campaign

The participation in the Promotional Campaign is applied for only via the App, by accepting the Regulations and sending a link to a Friend during the term of the duration of the Promotional Campaign.

§ 5.

Discount

1. After logging in to the App (§ 4(3) of the Regulations), during the duration of the Promotional Campaign, the Participant is able to provide his/her Friends with a link (messenger, whatsapp, sms, etc.), which, when clicked on by the Friend, redirects him/her to the Organiser's purchasing website with the one-off Discount automatically calculated for the purchase of one All-Inclusive pass or Standard pass. The amount of the Discount will be visible on the purchasing website.

2. The Discount is to be used only when purchasing the All-Inclusive pass or Standard pass. The Discount granted to the Friend is one-off and valid for one month only.

3. Each person meeting the requirements of participation in the Promotional Campaign (§ 2 of the Regulations) may invite many Friends.

§ 6.

Popularisation of the Discount/Reduction in the price of the Participant's pass

1. The purchase of the pass by the Friend resulting from using the link sent by the Participant authorises the Participant to obtain a reduction in the payment for his/her own pass in the amount provided in the Promotional Campaign's website, subject to the following sections of this paragraph.
2. The reduction for the Participant will be calculated as from the next billing period and will be active as long as the Friend remains the Club Member based on the All-Inclusive pass or Standard pass purchased with the use of the Discount and the Friend pays for this pass on a regular basis, i.e. without delays. Should any debt occur in the Friend's account, the reduction will not be calculated.
3. The reduction for the Participant is not combined with other reductions, promotions or discounts if the Participant, in a given month, makes use of any promotion, etc. apart from reductions to which the Participant has the right as a result of the Promotional Campaign.
4. The task of the Participant applying for obtaining the right to the reduction is the effective invitation of the Participant's Friends to join the CityFit club during the duration of the Promotional Campaign. The "effective invitation", referred to in the preceding sentence, is understood jointly as: providing the link to the Participant's Friend by the Participant and using the Discount by the Participant's Friend meaning the acquisition (purchase) of a CityFit club pass by the Friend.
5. The use of the Discount determined in the link sent to the Participant's Friend in a manner indicated in § 5(2) above and the purchase of the pass results in granting the Participant the reduction for the so-called "referral" – for each effectively invited (according to this section) person, the Participant obtains one reduction.
6. The reduction, referred to in the preceding section, is granted to the given Participant only in the case where the Participant's Friend purchases the pass using the Discount provided by the Participant.
7. The Participant may collect the reductions, referred to above, during the duration of the Promotional Campaign and their amount may not exceed the amount of his/her monthly Membership Fee.
8. The reductions which will not be used in a given month are not transferred to the next periods.
